

BUSHRANGER

4x4 GEAR

WHEELIE BIN

61X08B

Before First Use

- Check local laws and regulations before attaching any external components onto your vehicle.
- Confirm the spare wheel is suitable for mounting of this product (fully laden) with the vehicle manufacturer and the manufacturer of any aftermarket wheel carrier installed before using this product.

Vehicle

- Prior to strapping the "Wheelie Bin" to a rear mounted spare wheel, check that all wheel nuts are tightened to the correct torque.
- Do not reduce visibility of the licence plate in anyway.

Product

- Always check lid is completely buckled closed before driving.
- Regularly check buckles and straps are secure when driving.

- Avoid carrying sharp objects.
- Avoid carrying harmful chemicals/oils.
- Never carry hot materials.

Safety & Inspection

Prior to using the Wheelie Bin or any of its components inspect for damage, to avoid incident or damage.

Care & Maintenance

- Do not expose Wheelie Bin to any petroleum-based, acids or alkaline products.
- Clean Wheelie Bin regularly with a non-abrasive sponge or similar in warm water and pH neutral car washing liquids only. Allow to dry in the shade to preserve shine and promote longevity.
- Always ensure Wheelie Bin is dry prior to being stored, out of direct sunlight, or wet/humid environments.

Fitting Guidelines

Step 1: Position the Wheelie Bin over the wheel and the horizontal bracing strap should be snug across the top edge of the tyre.

Step 3: Engage both buckles.

Step 2: Arrange the Harness (webbing straps) so that the straps go behind the wheel. There are several methods in which the "Wheelie Bin" may be strapped to a vehicles spare wheel dependent upon the users' preference.

Method 1: Vertical (Classic) method:
The harness straps are in a vertical position.

Method 2: Cross over method:
The harness straps are crossed over under the spare wheel mounting bracket.

Step 4: Tighten both pull straps so that both buckles are snug against the tyre.

View from behind the wheel

View from behind the wheel

Step 5: Check to ensure that harness and bag is snug on the wheel. Check both buckles are firmly engaged and secure. Excess straps may be loosely tied together to stop flapping or dragging.

Check that the wheel mounting bracket will not damage the straps and the straps will not damage the vehicle.

Kingsley Products - Warranty Policy

1. Our Warranty

We warrant to you that the Kingsley product is free from defects in workmanship and materials for the warranty period.

2. Fitting and use

- a. fit the Kingsley product in accordance with the product information and all relevant vehicle safety and compliance laws
- b. use the Kingsley product for the purpose for which it was originally designed and in accordance with the product information and all relevant vehicle safety and compliance laws

3. Exclusions

Our warranty doesn't cover:

- a. normal wear and tear fitting the Kingsley product other than in accordance with the product information and any relevant
- b. vehicle safety and compliance laws, including incorrect fitting using the Kingsley product other than for the purpose for which it was originally designed or other than in accordance with the product information and any relevant vehicle safety and compliance laws, including unusual, improper or negligent use or misuse or overloading misuse or neglect of the Kingsley product, including improper repair or maintenance or failing to repair or maintain alteration, abuse, acts of nature, terrorism, vandalism, collision, road hazards or adverse conditions

4. Making a claim

Please immediately contact us as soon as you become aware of a possible defect in the Kingsley product. We'll arrange for you to either attend a Kingsley outlet (at your cost) for a Kingsley representative to inspect the Kingsley product (as fitted to your vehicle) or for you to return the Kingsley product to us. We'll also request you to provide the purchase receipt and complete a warranty claim form. In order to ensure our warranty is not voided, please keep the purchase receipt as proof of purchase and don't remove the fitted Kingsley product from your vehicle before contacting us. If your claim's in order, we'll notify you and (at our sole discretion) either repair or replace the defective workmanship or materials (at our cost) or refund to you the purchase price you paid for the defective Kingsley product. If further information or investigation is required or if the claim does not meet the requirements under our warranty, we'll let you know.

5. Australian Consumer Law

The Kingsley product comes with guarantees that can't be excluded under the Australian Customer Law. You're entitled to a replacement or refund if there's a major failure and compensation for any other reasonably foreseeable loss or damage. You're also entitled to have the Kingsley product repaired or replaced if it fails to be of acceptable quality and the failure doesn't amount to a major failure.

6. Other consumer rights

The benefits to you under our warranty are in addition to any other rights and remedies you are entitled to under relevant consumer laws. Our warranty replaces any other warranty given by Kingsley or it's supplier in respect of the Kingsley product.

7. Terms

The following terms have the following meanings:
